

# ONE OF THE KIDS

## Building Inclusion at School FREE Workshop in Central and Waitara

Join us for this FREE workshop to learn about inclusive education, hear stories of success from a parent guest speaker and see how inclusion works in the regular classroom.

**This Workshop is for families of children with disability in or approaching the school years, and will cover:**

- Inclusive education - what is it and how will I know when it's real?
- Adjustments - reasonable and practical classroom strategies
- Communication, collaboration and planning - building a good school relationship
- Meetings - skills and strategies to advocate effectively
- Education and beyond - what do we want from our child's schooling?
- How the school years can lead to a meaningful life

Tuesday 24 September
