

LAST MINUTE SCHOOL TRANSITION TIPS

**Thursday 16 January, 12.30-1.30pm AEDT
Online via zoom**

There is still time to implement transition ideas in the last few weeks before school goes back, with the aim of making first term as positive as possible.

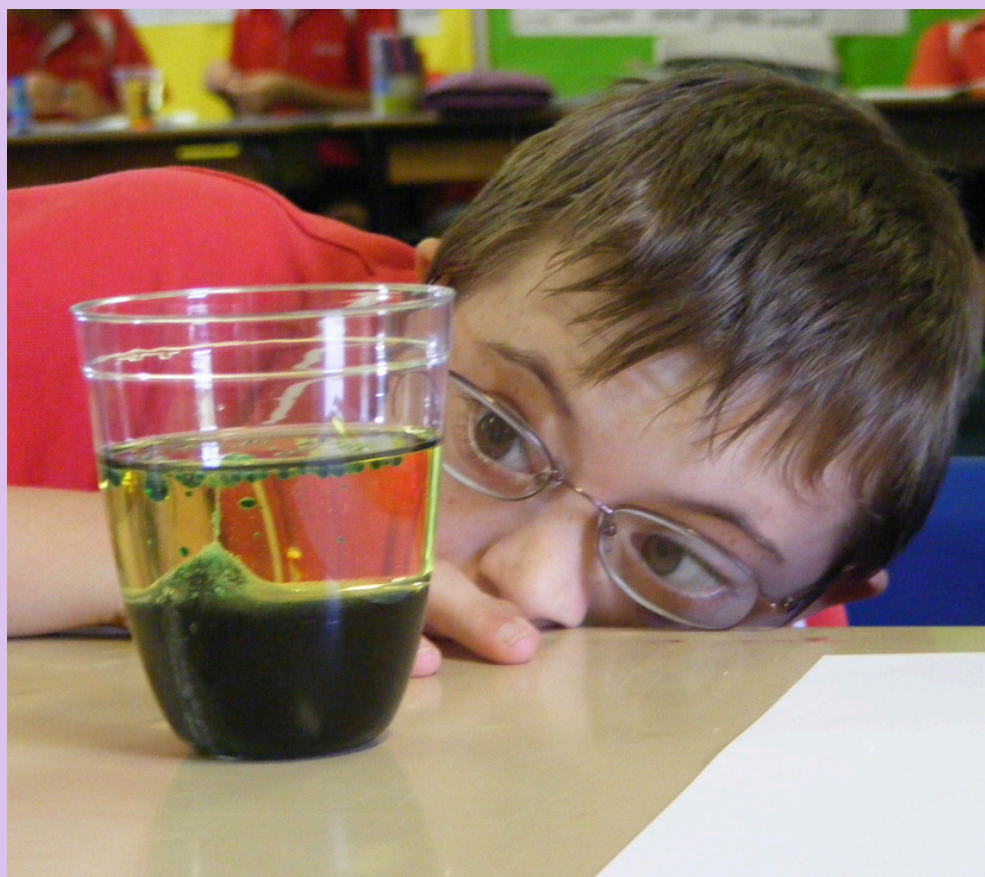

Jump online for a discussion, hear tips from our advocates and share strategies that are working for you.

You will hear tips relating to: student profiles, reasonable adjustments, uniforms, colour coding books and maps for high school, building relationships with allies at school, conversations to have with your child and more.

Who is this webinar for?

This is designed for families of students transitioning into kindergarten or Year 7.

Feel free to join us for a refresher if your child is entering a different year.
