Successful transitions through school WORKSHOPS

Wollongong

Register here:

Sage Hotel, 60/62 Harbour St Wollongong

Successful transition to kindergarten, high school, and the senior years of schooling for children with disability requires careful planning, effective communication and collaboration, and involvement from all stakeholders. But with the right resources and support, all students with disability can have a positive and successful start and finish to their schooling journey.

The aim of these free workshops is to facilitate successful transitions for students by empowering families through knowledge and ongoing support. We will cover all transition points - please choose your session when registering.

Key transition periods covered:

- Transition to Primary School: Wednesday 8 November, 10am-1pm
- Transition to Senior High School (Years 10-12): Wednesday 8 November, 6pm - 8.30pm
- Transition to High School (Years 5-7): Thursday 9 November, 10am-1pm
